ABOUT EDEN

Eden was a part of our first team from Israel in 2008. He is currently studying for his Bachelors of Education focusing on history and informal education. He is a researcher with a cyber security startup. In his free time, Eden volunteers with multiple education programs and cares for the finances of the city kibbutz (a kibbutz is a collective community) he lives in.

PERSONAL GOALS

- Improve public speaking skills
- Learn to turn ideas into achievable programs
- Give from his experience as well as learning from others

"[sometimes] things don't work as you wished in the beginning but it doesn't mean there is no value and that great things won't happen in the future from what you started." - Eden

INTERESTS
